While we are at it, lets looked down on, and other places where our professionals, about places where we are stories and share them.

**Later Days** - Basically it's about a Mormon missionary, Aaron, who moves next door to Christian, the "Brian" of the city. And surprise surprise Christian falls in love with Aaron. Aaron now is faced with choosing between his family and religion or choosing Christian.

Reid's Review: Comi coma. The starting is kinda annoying. And Christian's character has been done... a lot. But the ending where it focuses on Aaron and him battling with the other elders and his family was really good. Plus! There's a part where you get really nervous. Rating: 5 torch holding Mormons out of 5. Gay! Nudity? BOM BOMMS! Email me at [reidstreview@hotmail.com](mailto:reidstreview@hotmail.com) letting me know what you thought. And movies I should see.

**Thanks!**

These last two months after Pride has been a little slow. But it is a great time to relax except for us at the OutinKingston Zine. To all those who have stuck with us during the summer months, thank you!

We would also like to thank Heather Anne Scott for the creation of the new website [TransInsight.ca](http://www.transinsight.ca) which we hope will be truly successful.

If you have any comments, suggestions, or would like to contribute a short article, story, or event listing, please email us at [info@outinkingston.org](mailto:info@outinkingston.org)

August 2008 Issue 5

**Welcome**

We Kingstonians are truly in the depths of summer when we look around us and find that everyone has gone. They left town because school is out or they have migrated to their beaches and cottages. Even the party scene is taking a break in July and August. What gives?

In any case, the OutinKingston Zine Team wishes everyone a safe and happy summer holidays. If you have any Queer Parties or Events coming up in the future, don't hesitate to email us. We need to get our groove on!!!

With love and kisses,

Tony and Tyffanie (Tn'T) [info@outinkingston.org](mailto:info@outinkingston.org)

**Kingston Gay Hockey League**

Have you ever thought, "My word, I would love to wear hockey gear... oh and play hockey with other gay women and men in a non-contact kinda way." WELL! We might have something for you! There is a small facebook group geared towards creating a co-ed, recreational, non-contact gay hockey league in Kingston. They have even been invited by the Toronto Gay Hockey Association to play a few games. Is this for you?

If you are interested in finding more information or joining the list of interested individuals, either join the facebook group named Kingston Gay Hockey League <http://www.facebook.com/group.php?gid=16076789268> Or email [JoelCemba@hotmail.com](mailto:JoelCemba@hotmail.com) This would be a gay-friendly league so being gay isn't mandatory. Gay-friendly is very mandatory!
